Dear Sir:

In the Restriction Requirement mailed January 26, 2005, the Examiner noted that the reply filed on November 5, 2004 is not fully responsive to the prior Office Action because applicant did not identify which claims read on the elected species. In response thereto, applicant elects Species 2 corresponding to claims 2-10, 12-16, 18-22, 24-27, 29-31, 34, 37, 40, and 43 (a method and apparatus for adjusting DFSE that is based upon at least cardiac data that includes cardiac fibrillation rate data). This election is made without traverse.

Respectfully submitted,
